## 2023-24 Supply List

In the past, we have asked each family to donate some supplies for class, which were listed in detail. This year, we've decided to do something a little different. Instead of contributing to *those* shared supplies, will you contribute \$25 (or any amount you feel comfortable with) to lowering our supply costs in the form of a gift card? We purchase things from places like: Discount School Supply, Staples, Costco, Target, Walmart, Amazon, Michael's, Jo-Ann, and more.

Your child will need a good raincoat and rain boots. We will go outside, no matter what the weather is like! They will also need to bring a backpack each day with a full change of clothes, in case of accidents or messy play.

In addition to this list we can usually find a use for extra items from your home, such as fabric, cardboard tubes, glass jars, glue guns and the glue sticks for them, things the children can take apart using regular or phillips screwdrivers, scrap pieces of soft wood, nails, rolls of plastic or paper, staplers and staples, plastic grocery bags, and more!

If you're not sure whether we want you to bring it, please ask a teacher!
