

## Child Abuse Training

As a parent in our co-op, you will be working closely with children of different backgrounds. To ensure the safety of all of our children, you are required to complete a short training course on Child Abuse and Sexual Abuse. This is required by our insurance, just as the background check is required. This class is available online and takes less than 30 minutes to complete.

Please take the time to do this as soon as possible so you are ready and qualified to work in our classroom.

The class we are using is offered through Safe Schools, and is free. This is the address to register for the online training:

<http://parent.or.safeschools.com/register/cd7075eb>

You will need to pick a username and password. If you are prompted for a registration key, you can use [cd7075eb]. Once signed in, you will choose to complete the class titled, "Child Abuse: Mandatory Reporting (Full Course (Oregon Parent)). The course is 15 minutes long.

Click through the sections in order and when all are complete, click on "Get a Certificate of Completion" near the top of the page. Print your certificate and return it with your registration paperwork. If you don't have access to a printer, you may email a pdf of your certificate to me ([membership@creativediscoveriespreschool.com](mailto:membership@creativediscoveriespreschool.com)).

There is a copy of the certificate on the back of this page, so you know what it looks like.
